♪ Band and Orchestra each have a specific method book being used during each class. Make sure you have the book for the correct instrument (on the top left of the cover). See above for which book to purchase for your respective class. Local music stores, as well as Amazon and Ebay should have all the method books.

♪ Students must provide their own instrument (school does have some string instruments available to rent for \$80 a year–email me for information). Best places to rent are Summerhays Music, Riverton Music, Bert Murdock, and Charles W. Liu. (Make sure to get one in great working condition to start off on the right foot! Do not buy instruments off Amazon). Make sure to get the correct size of your instrument for orchestra and guitar – be measured! Most students will not be able to play on full size orchestra instruments and guitars! Only acoustic guitars allowed in class. Message me for questions.

♪ We do two concerts – December and end of April. Family and friends will be able to attend at this point.
