

WELCOME BACK TO SCHOOL

MESSAGE FROM PRINCIPAL FELT

I am grateful and excited for the beginning of the new school year! Typical weekly emails and updates will be delivered on Monday's throughout the school year and will outline important events and information. Additionally, your family will be receiving a monthly newsletter sharing activities, flyers, and school celebrations.

I am happy to answer any questions you may have throughout the school year. Please don't hesitate to reach out and share your thoughts, insights, and/or feedback. If someone you know isn't receiving emails from the school, please recommend that they reach out to us so that we can help troubleshoot the error: 801-567-8940

MORNING ARRIVAL

1. A welcome bell rings at 8:55am
2. School starts at 9:00am
3. Please make sure to have your child at school before the time.
4. Late arrivals have to check in at the front office.

Drop-off and Pick-up Procedures

Please follow directions given by school personnel. We ask that all personnel and patrons use kind tones and be respectful at all times. We want to set the proper example for our students.

Drive slowly and cautiously. Avoid the use of cell phones while driving on school grounds. Be courteous to other drivers and school staff.

Turn your key, be idle free if waiting longer than 2 minutes. Help us keep our air cleaner.

Parking lot

- **If you enter the parking lot, please park escort children to and from the cross walk.** Students should not be unaccompanied in the parking lot. Drivers cannot see them. Students should not walk between or behind parked cars.
- Please do not use the parking lot to drop-off or pick-up. The parking lot is reserved for patrons who park their cars.

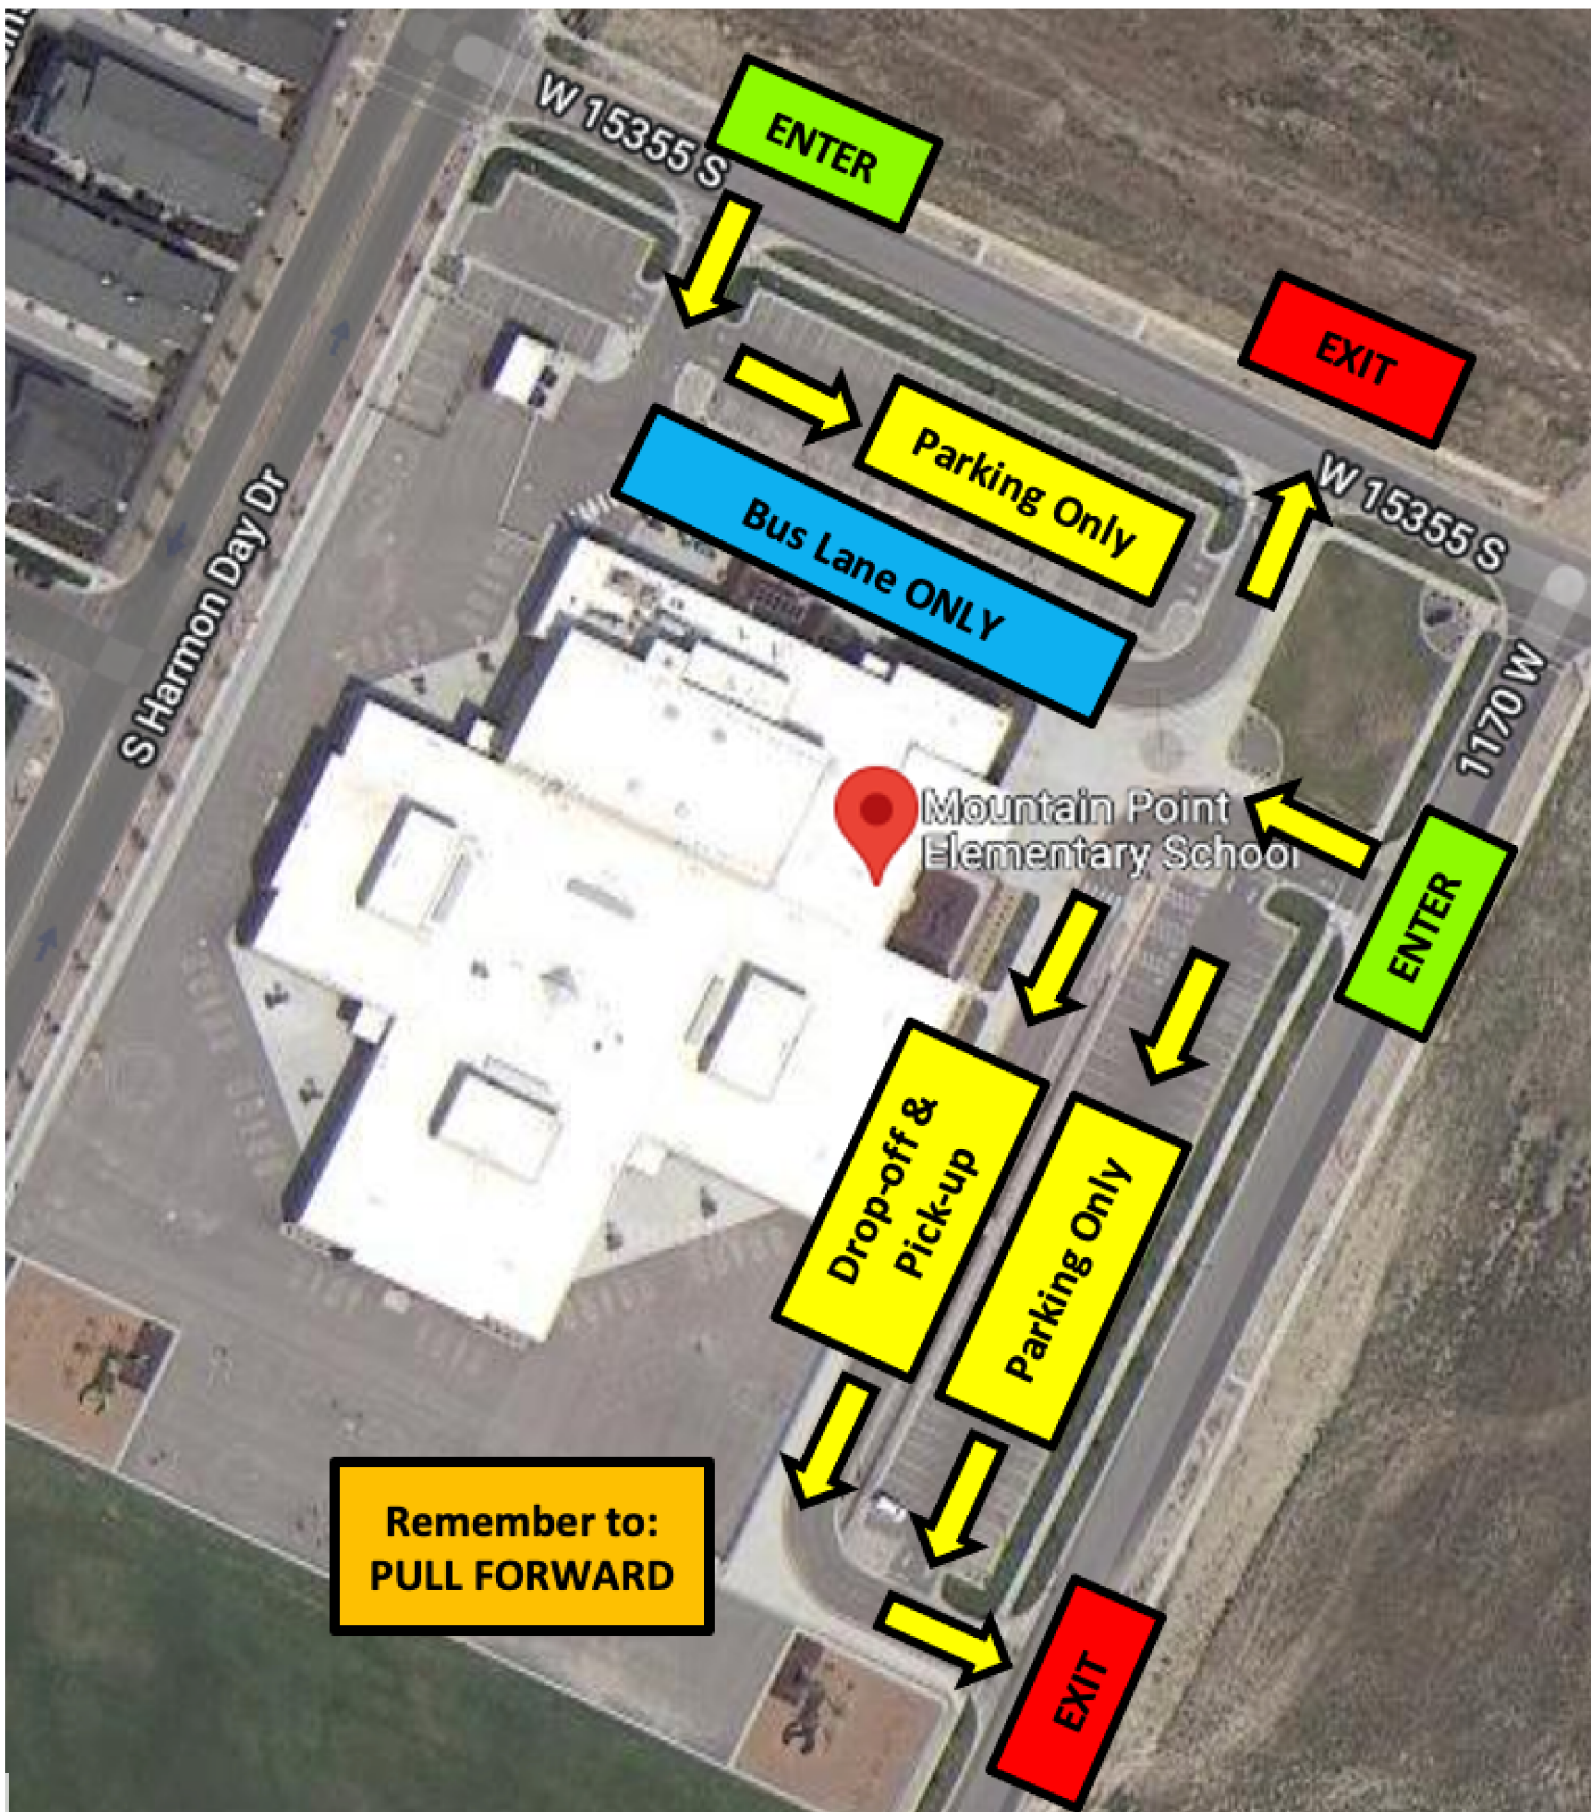

In the pick-up/drop-off lane

- Children must enter and exit vehicles on the passenger side. Cars will be moving in the drive through lane.
- Drivers may not exit their vehicles unless parked in a designated parking stall with the engine turned off.
- Pedestrians (parents, students and school personnel) may only cross the pick-up/drop-off lane or the passing lane at the cross walk from 8:40–9:00 a.m. and 3:35–3:50 p.m.
- Drivers need to move their vehicle as far forward as possible in the pick-up/drop-off lane, leaving only enough room to exit into the passing lane. If the vehicle immediately in front of your vehicle leaves, please pull forward.
- Drivers should have students ready to exit the vehicle when they reach the pick-up/drop-off area. When students have safely exited the vehicle, the driver should try to leave immediately to allow others to drop off or pick up in a timely manner.

Please share this information with others who may occasionally pick up your child(ren).

Thank you so much for your support. Our goal is the safety of ALL our children.
