

MEET YOUR TEACHER

ABOUT ME

My name is Mrs. Tamara Baggett, and I am thrilled to be your teacher this year. It's going to be a fun year full of learning and new adventures, and I can't wait to see what the year has in store for us!

I live in South Jordan and have been married for 30 years. We have 4 grown children and one bonus daughter-in-law. I am also a dog mom to Sulley, the cutest goldendoodle ever! The most exciting news is that I will be a GRANDMA in December! All my children were educated in Jordan School District and have grown up to be amazing people! My oldest teaches next door at Hidden Valley Middle, our second is a nurse in the NICU at Primary Children's, our third and his wife are students at Utah State where he serves our country in the Army/ROTC working towards medical school and our youngest works in construction sales. This will be my 31st year of teaching and I have loved every minute of it. I am thrilled to join [Mountain Point Elementary](#) and get to know my students and the community.

MY EDUCATION

I graduated from Brigham Young University in Elementary Education and have a Master's Degree in Education with an emphasis in Gifted and Talented from Southern Utah University. I have worked hard over the years in completing many endorsements from the state of Utah: Early Childhood, Gifted and Talented, STEM, ESL, and Technology. I am committed to help each student in my class achieve their utmost potential in all that we do.
