

Meet Your Teacher

ABOUT ME

My name is Mrs. Monsen and this is my third year teaching at Mountain Point. I have five kids, one son-in-law, and a dog named Snickers.

FUN FACTS

- My high school mascot was a russet potato.
- My dad was a teacher, so when I was growing up I had the chance to be an extra in the High School plays. I love costumes!
- My oldest daughter, Samantha, lives in Germany with her husband.
- My oldest son, Jason, will be going to Mexico in December for two years.
- I made it a goal to read as many of the 5th-6th grade BOB books this summer I could, and finished 12 of them.

HOBBIES

- I love Harry Potter Books and the thought of magic.
- My family loves soccer, art, and watching movies.
- I love to travel, especially to Germany and now Mexico!
