I am SO excited to be your teacher this year! This will be my second year teaching at Mountain Point Elementary!

~ A little about me ~

I grew up in Park City, UT and received my bachelors degree from Michigan State University! I love the mountains and doing anything active outside.

This year will be full of so many fun learning experiences. I'm so excited to get to know each one of you. In our classroom, we truly will become a family. I know this will be a great year and I can't wait to meet YOU!
