Dear Parent/Guardian,

The Health Services Office of Jordan School District is dedicated to ensuring that every child has access to quality health care. We assist families in applying for state health programs such as Medicaid and CHIP, as well as the new Health Insurance Marketplace. (Note: A family of four, making up to \$97,200 per year may qualify for reduced costs and/or premium tax credits.)

We also help connect families with many other community services, including HEAT utility assistance, SSI, vouchers for clothing at Deseret Industries, free and low cost health clinics, and much more. If you have any questions, please call 801-567-8515. We know you work hard to care for your family and we are here to help.

Kami Ridd
Health Services Coordinator
