

# WELCOME TO KINDERGARTEN

## Hello!

My name is Shulamith Webster, and I'm thrilled to be your child's teacher for the 2023-2024 school year. Starting kindergarten with a brand new teacher can be a little scary when you're five, but I hope those nerves disappear quickly as we get to know each other. I'm excited to be at Mountain Point and predict an awesome year for all of us! I believe a child's learning experience requires a team: the student, the teacher, and the parents, so if you ever have questions or concerns, please feel free to reach out.

## Fun Facts

I have three kids who all attend Mountain Point in grades 6, 4, and 1!

When I'm not working or hanging out with my family, you'll find me walking or reading.

Even though my first name sounds cool, it has no special significance; my parents found it in a book of unusual baby names.

I moved here from Washington state to go to college (Westminster Alumni!) and have enjoyed living here ever since.

## My Background

This will be my fifth year teaching kindergarten but my first year at Mountain Point. I have a Bachelor's degree in Early Childhood Education and an ESL Endorsement.

## My Favorites

Utah Jazz (Let's get a ring this year!)

Diet Coke (Is there any other soda flavor?)

Reading (My favorite way to understand others' lives and stories, both true and not)

Chick Fil-A and Anything Sweet (Mmmmm!)

Hiking (So glad to live in Utah, where mountains are close)
