Mrs. BreElle Wells

ABOUT ME

Welcome to 2nd grade! My name is Mrs. Wells and I am so excited for this new school year. I grew up in Idaho, where my mom was my 1st grade teacher. After graduating from high school, I moved to Utah for college. I met my husband, Riley, there and we currently live in South Jordan. I look forward to getting to know each of you and the amazing year we will have together!
